# SOCIAL DISTANCING TIPS GROCERY SHOPPING

When out in public, practicing social distancing can help you reduce your risk by minimizing contact with others in the community.

**The Bandstore is working to ensure everyone has equal access to what they need!**

## IF YOU'RE NOT GOING TO BUY IT PLEASE DO NOT TOUCH IT

Only 10 people in the store at a time to protect our workers and yourself.

If you can please wipe down handles of grocery carts and baskets before and after use. Wash or sanitize hands before entering and after leaving the store.

Use tap and pay if possible to limit handling of cash.

Do not stand too close while waiting to pay.

There still needs to be distance between a shopper and shopping cart to protect each other.

Please be patient and keep your distance. We need to be mindful of our community members.

**STAY HOME IF YOU'RE FEELING SICK**

**Line up to get into the bandstore needs to stay 6 feet apart.**
